

Commercial Relocation Network Monthly Update

July 31, 2019

An Update from Michael A. Hastings

Many of you may have heard by now that Mergenthaler Transfer & Storage recently sold all their moving & storage assets in Utah & Montana to Mesa Moving & Storage. Mesa Moving is a fine company but also members of OMA, going to work with them would have forced my resignation from CRN.

Fortunately, I had been approached several months earlier about opening a new office in Salt Lake for a multi location Atlas agent, InterWest Moving & Storage. Based in Idaho Falls, the iWest group of companies specializes in commercial warehousing, logistics, distribution & residential moving & storage.

Looking to expand their service offerings to including commercial moving, I have joined their team, tasked with growing their commercial division as well as overseeing the new Salt Lake City operation.

Equally important to me was the opportunity to continue my membership and board position with CRN.

I am extremely proud and honored to be a part of this great group. If there is anything I can do in my role on the board to serve you, please let me know. My new contact information is:
