

Commercial Relocation Network Monthly Update

April 16th, 2020

Member Spotlight:

Ms. Aversano has a strong reputation of serving her clients as a Project Management, Relocation and Logistics expert, as well as a savvy business professional. In 2014, Ms. Aversano started a new business venture called Strategic Logistics & Relocation Solutions, Inc. where she holds the position of Chief Executive Officer and President. With Ms. Aversano's entrepreneurial style, hard driving work ethic and experience in building successful businesses from the ground up SLRS was awarded the National Women's Business Enterprise Certification from WBNEC as well as Women Owned Small Business (WOSB) Certification.

Please Update Your Web Profile:

Just a reminder that everyone should make sure their address, photo, and contact information are up-to-date on the CRN website as people do find your business and profile their. Pictures should be minimum 350x350 in size. Please reach out to support@automationwarrior.com if you need assistance updating your profile.

Sincerely,

CRN Web Team
