

Commercial Relocation Network Monthly Update

April 24, 2020

Your Fellow Members are sharing information that can help you prepare, plan and project your next steps during Covid 19.

NEW Web Series Alert

COVID19 Web Series: How this Pandemic is Impacting Commercial Real Estate. We cordially invite you to join our new web series regarding COVID19. Please see the list of upcoming webinars with speakers, topics and registration links. [See all links here.](#)

If your company has required all employees that are not required to physically be present to work from home. You may find that a portion of your workforce still requires personal protection while performing essential functions. [See more here.](#)

Sincerely,

The CRN Team
