

Commercial Relocation Network

August 25, 2020

Gadi Binness – President & CEO of [Relocation Insurance Group, LLC](#) recently joined the CRN as a Network sponsor, **not a member**. I know there has been recent email blasts from his company stating he was a CRN member and we apologize for the misprint.

Relocation Insurance was going to be at our conference this year in California and being we had to cancel because of COVID-19, he was given the opportunity to introduce himself to our group via email being a first year sponsor.

Our CRN sponsorship committee goals are to search for sponsors that will bring value to our CRN members. If any members have suggestions of sponsors that would like to commit to our national conference please contact us directly.

Thank you.
