FEATURED MEMBERS

[JJ Kruenkamp](#)

JJ is an employee-Owner, Vice President, and founder of King Office Services. He has spent more than 40 years in the Facility Moving Industry completing thousands of relocations encompassing millions of square feet. For most of his career he has been nationally ranked in the top 1% of all Industry sales personnel. JJ is one of the Co-founders of "CRN" and a Co-developer of the industry leading estimating software "QuickQube" A one of a kind program that produces the most accurate and fastest quotes possible. During his tenure at King Office Services he has grown the company to be one of the leading office/facility moving groups in the United States. If it is in a commercial facility and needs to be relocated, King and JJ have the expertise to handle it.

Director of Business Development for Planes Commercial Services. I help create and maintain client-relationships, recommend new products and services, and develop new partnerships. I foster an environment of teamwork with strong communication and client service skills that enhance Planes process-driven management philosophy. I works from start to finish ensure the customer's needs are met, and they are ready for FDOB
